TRANSPORTATION & INSURANCE

Each church will be responsible for its own transportation and insurance. Please check with your insurance company to be sure that all activities are covered under your church policy.

Please provide proof of insurance (a copy of your church Certificate of Insurance) for our files along with your final payment which will be due May 5th.

NOTE: Bryan College cannot be held liable for damages or thefts to vehicles parked on the premises.

HEALTH CARDS, MEDICATION & FIRST AIDE

NewCamp will have a first aide coordinator on staff. Because of stringent rules and government laws, we must be careful administering first aide to campers.

Each church will keep its own health cards and release forms in its own possession. Please assign an adult from your group to be responsible for administering medication if needed. The first aide coordinator will be available for advice. If the first aide clinic down-town or the hospital is needed, the Youth Pastor or designated person in charge will be the only one who may sign for the injured youth. Because doctors will no longer treat someone without a release form signed by the guardian or parent, it is very important that each camper has one. A sample release form is enclosed.

There will be a nurse on campus at all times. Her responsibilities are only in an advisory capacity. Please bring the basic medical supplies for your group such as Tylenol/Advil, Pepto Bismol, Band-Aids, Sunscreen, Aloe Lotion, etc. It is NOT practical for every camper to see the nurse for these basic items. There is an emergency clinic within minutes of the college for any major medical needs.

CHECK-IN PROCEDURES

Registration begins at 1:00 p.m. on Saturday, June 22nd. Your bus will pull into the parking lot, and unload in-front of the Student Center/Cafeteria. Groups will sit at the tables and await further instructions from our check-in team. While waiting, students are encouraged to look at the rosters posted on the windows and find out what recreation team they are on.

KEYS

At the time of check-in, there will be a key and a key card issued to each camper. At the end of the week each of those keys should be turned in, or \$25 for each one in cash or check made out to Bryan College. This key is the responsibility of each individual.

CAMP T-SHIRTS

A camp t-shirt will be provided for each camper. The cost of the t-shirt is included in the total camp cost. Youth Pastors will need to submit quantity and sizes no later than April 20th.

STANDARDS OF DRESS

Even with constantly changing trends in fashion, we can dress like Christians and be both fashionable and respectable, if the New Testament principle of modesty in dress is observed. 1 Timothy 1:9 says, "Women adorn themselves in modest apparel." This principle applies to both sexes. The following are some standards.

For the morning schedule, both guys and girls may wear shorts as long as they are modest and decent, including the length. Tank tops are not allowed.

For the evening schedule, we ask that your youth "dress up". Our goal is to help maintain an attitude of respect and worship for the evening worship service. "Dressing up" greatly adds to the excitement and anticipation as we all get ready for our evening worship, which hopefully is the highlight of each day. We ask that girls wear dresses, skirts, or nice dress slacks. Nice blue jeans are permissible. For the guys, we also ask that they "dress up" keeping in mind nice jeans are accepted. Shorts are NOT to be worn to the Evening Worship Service.

T-shirts with unchristian prints (tobacco, alcohol, rock groups, etc.) will not be allowed. Adult leaders may ask youth to change clothes if they feel the clothing apparel is inappropriate.

DORM POLICY & SLEEPING ARRANGEMENTS

Dorms will be inspected daily. Rooms are expected to be kept in decent order: bed made, clothes picked up, everything in order. Inspections will be done every morning and awards will be given for rooms who meet normal standards! Bribes are accepted by the checkers.

All sleeping arrangements will be dorm-type accommodations. The rooms will sleep 2 people. Baths are suite baths or on the hallway. The college is responsible for assigning the rooms. Due to the nature of this camp we need adult chaperones on the dorm floors with the youth from your church as part of the supervision. Please do not ask for chaperone couples to room together unless it is an extreme situation.

There will NOT be any mixed visiting in the dorms AT ANY TIME!

Bed Linens and pillows will NOT be provided so you will need to bring your own linens as well as towels and toiletries.

WHAT NOT TO BRING

Tobacco products, alcoholic beverages, non-prescription drugs, knives, fireworks, bad attitudes, electronic games, personal computers, radios, etc.

No student can be in possession of cell phones unless you are in the dorm room!

QUIET TIME - 9:00 A.M.

Quiet Time pages will be in the Student Notebook. Each morning at 9:00 a.m. we will meet in the Chapel for a brief introduction into the Quiet Time. After the introduction, you are encouraged to take your group back to your Individual Church meeting area for announcements and the Quiet Time. Our goal in providing a structured Quiet Time is to help those who are presently not involved in a Quiet Time daily to get in the habit.

MORNING PRAISE - 9:45 A.M.

Following Quiet Time we will meet back in the Chapel for a time of worship. Each morning Matt Vollmar will lead us in uplifting music which sets the tone for NewCamp U and Huddle Groups.

NEWCAMP U - 10:15 A.M.

After Morning Praise, we begin breakout sessions where 4 different topics will be discussed over the week. These topics are essentials of the Christian faith meant to take the believer from a passive posture to become more active and engaged in their faith.

HUDDLE GROUPS - 11:00 A.M.

Huddle Groups are designed to allow discussions concerning life application in a small group setting. These groups give all the youth the freedom to express their thoughts and ideas and ask questions without being intimidated by a large group. Our goal is to help youth become grounded in the basis of Biblical truth!

RECREATION - 1:00 P.M.

Recreation will play a major part of the program at NewCamp. Worship and Bible Study will be complemented by a recreational program coordinated by Dan Doughty. Dan combines his love and concern for young people with his experiences as a teacher and a coach to create a unique recreation time for everyone. His program promotes the individual's self-concept as well as his/her ability to relate to their youth in a group situation. The recreation concept is designed to allow all youth (including the non-athlete) to participate with some degree of success. While the spirit of competition will be part, there will be no losers in our recreation! You compete exclusively as a team against a specific goal or initiative. At the end of the week, groups will be recognized for their cooperation. Everyone must participate, including adult chaperones, actively or as a cheering and encouragement team!

EVENING WORSHIP - 6:30 P.M.

A guaranteed highlight of NewCamp will be the exciting worship. Your youth will be challenged to consider God's will on their lives and to evaluate their relationship with Him. We are so grateful to God for allowing these choice servants to lead us in worship at this year's camp.

INDIVIDUAL CHURCH TIMES - 8:30 P.M.

Each evening after the worship service, we have scheduled time for each individual church group to meet to discuss and apply the teachings. These times are some of the most productive meetings in our whole camp.

ATTENDANCE

Everyone, including students, nonprofessional bus drivers, ministers, etc., are expected to attend all Bible Studies and Worship Services. NO ONE will be allowed to sleep late or skip these special times unless he or she is admitted to the First Aide Station.

SNACK AREA

The snack area will be open following the Evening Worship Services. Items are sold there like French fries, hamburgers, pizza, ice cream, etc.

CAMPUS CLEAR

At 10:30 p.m. each night, the campus will be patrolled. Any camper found outside their room will be penalized. We believe the teaching of the Word of God is the most important event of the week. If you stay up all night, it is almost impossible to benefit the next day's Bible teaching.

SPIRIT AWARD

At the end of the week, a Spirit Award will be given to one church. This award will be based upon cooperation throughout the week in sports, team spirit, worship services, dorm cleanliness, lights off, quietness at night and rules in general. This is the most coveted award of all! Our goal is not to compete but unify through cooperation

GENERAL INFORMATION

Youth Ministers will be consulted before a camper is sent home, but please understand that abuse of, and ignoring the rules and guidelines will not be tolerated. There have been youth sent home because they refuse to believe us! There are some things that require immediate dismissal, and some where warnings will be given. Joe will explain these at the beginning of camp. If Youth ministers have any questions or problems in this area, please contact Joe before camp.

FACTS ABOUT BRYAN COLLEGE

Bryan's main campus is located on a 128-acre hilltop in Dayton, Tennessee, within the foothills of the Smoky Mountains, 35 minutes north of Chattanooga.

William Jennings Bryan University was chartered in 1930 and admitted its first class in the fall of that year. Its stated purpose was, and is, to provide "for the higher education of men and women under auspices distinctly Christian and spiritual." In 1958 its name was changed to William Jennings Bryan College and in 1993 was shortened to Bryan College.

Bryan's mission is educating students to become servants of Christ to make a difference in today's world. The College seeks to assist in the personal growth and development of qualified students by providing an education based upon an integrated understanding of the Bible and the liberal arts.

A WORD FROM JOE

NewCamp came about from a yearning to provide an environment for God to change young people's lives through His Word and the work of His Spirit. We long to see young people become disciples of Christ. God has done some amazing things through NewCamp over the years. We are excited to see what He is going to do in 2024! I cannot think of a better leadership team anywhere. Steven Barber is a dynamic communicator, that when he teaches the bible, it comes to life. Our worship time brings us into the very presence of God. Dan Doughty completes the camp staff by creating challenging and group initiative games.

Our Mission is to enable youth to open their minds, and hearts, to God's Word and His call on their lives. Come and join us this summer and experience NewCamp!
